

## Principal Endorsement:

### Teacher Development Initiative – Inclusive Education Specialisation (2019)

Name: \_\_\_\_\_  
(Person submitting Expression of Interest)

School/Unit: \_\_\_\_\_

I, \_\_\_\_\_ endorse the participation of the above staff member in the **Teacher Development Initiative – Inclusive Education Specialisation**.

This staff member is a permanent teacher who has a minimum of three years teaching experience, has a passion for teaching all students and has a personal aptitude and commitment to meeting the obligations of personal and professional development.

I understand, there is a requirement of 0.50 FTE staffing allocation per term for academic study, and release for attendance at eight (8) compulsory face-to-face workshop days.

If the Expression of Interest application is successful, the participant will be under a Funding Agreement, and the workplace will have roles and responsibility as a key party to the participants' success within the initiative.

This includes:

- providing a study space conducive to participants needs,
- actively removing all teaching and associated commitments during the 0.5FTE support allocation (such as playground supervision),
